Glass Court Swim & Fitness Club– Fall 2018

Attention parents and swim program participants: Please remember to read our refund policy and swim lesson rules before paying for any swim lessons. No exceptions can be made for early registrations before the scheduled time for members and non-members. You will be required to sign the waiver before paying for any classes. We do not offer make-up lessons, credits or refunds for missed classes. You are responsible for determining whether or not the swim participant will be able to attend classes prior to registration. If you do not understand the sign-up instructions, please see a manager for further information. We appreciate your participation in our swim programs and thank you for your cooperation.

Swim Lesson Rules:

These swim lesson rules that are stated are for the participant and the public safety. If obeyed, The Glass Court Swim and Fitness will provide a safe, efficient, beneficial class for all swim participants. These rules and policies are not intended to cover all situations regarding the use of the Glass Court Club. Children are not allowed to enter the pool area until their scheduled class time. When children enter early they disturb the class prior to theirs and for safety reasons they should remain outside until their schedule class time. Children in swim lessons are not allowed to enter the pool when there is a water aerobics class going on. Children are not allowed to sit, hang or swing on lap lines at any time. The lanes are for continuous lap swimmers only. Swim classes are taught in the indoor pool. For everyone's safety, please do not stand on the track at any time. Please do not enter the pool area with shoes. Lower hallway may be cold, please dress accordingly. Entry through the lounge is seasonal. Children over 4 years old may not go into the locker room of the opposite sex. If your child cannot go into the locker room alone, you may shower him/her at home and change them in the lobby restrooms. Clean proper swim attire required.

The DuPage County Health Department mandates that for safety reasons, swim attire must be close fitting as not to hinder any rescue attempt or cause obstruction or entanglement to pool filters/drains. All swimmers must wear proper swim attire. All babies must wear snug fitting rubber pants and/or swim diaper under a bathing suit to swim in our pools. We do not permit changing of swim attire or under garments outside of the rest rooms or locker rooms. Parents are not allowed to sit in the pool area, or outside by the track during their child's lesson. Parents may view from the lounge area only. Shoes and shirts are required in the lounge. No wet swimsuits allowed in the lounge.

No shoes, food, or gum are allowed on either pool deck. Non-members are not eligible to use the Glass Court facilities (this includes the spa, pools and saunas) before, during or after swim lesson. If you do not understand the member and non-member rules, please see a manager for further information. In order to achieve the best possible Glass Court experience for all, we ask the parents to please enforce the importance of proper behavior in class. Children that cannot follow the behavior guidelines will be dismissed from the class without a refund. Failure to follow club rules and regulations will result in a termination of swim lessons and a dismissal from the facility without a refund. Schedule and pricing subject to change. We appreciate your participation in our swim programs and thank you for your cooperation.
